-New Course Design Discussion/Suggestions

We should make current hole 4 hole 1 or use current tee pad, keep traffic away from hole 2.

Make current 10, 1 and current hole 9, 18 to have a better connection at the end

The flow could be better possible filler holes like the old old bottle neck 19

Issues with hole 16 towards Prospect. Discs going into back yards.

Need to check all spacing with the poured placements

New 4, 17 backwards. Maybe something more to the East or a Mando. Danger with throws coming in from old hole 12.

Keep old hole 11 and don't pour another tee pad****We needed to make the hole challenging. We are losing some of the placements that are in the new "Natural Area" 30 feet from Spring Creek on both sides of it. City wants us to keep away from water.

Evan is seeing this project through and is contact with the leadership. We will keep you posted with updates.

-CSU Club

Austin said he'll come to our next meeting and we can talk about how we can help them out and get them going.

-Winter Sunday Leagues at 11:30 @ Edora \$5. Jep is the Contact.

-Tabled Issues: Length of terms, keep at 1 year or more. What will be our merchandise for NoCo this year? Questionnaire. New Website

-Directors Report:

-Maintenance: Nothing to report. We need to do a list of Edora fixes and placements that need to be fixed.

There will be a meeting with the City at the beginning of the year for the new Hughes Stadium course. We will keep you posted on when and where. *** End of January will keep you posted.

-Membership Director: Would like finalized form. He will send a rough draft out to the leadership. Would like to have something to represent the club. We will need NoCo Merch for next year. Josh said he might be able to get a good price on shirts.

-TD: Finalized schedule, will take off Super Bowl scramble since it is Sue and Peg's tourney and they did not want it posted. Will post schedule this week. Talked about the new tag match above. Will send out sponsorship packs out to leadership for help with St. Patties. Emailed Sue and Peg about their CLP fundraiser and I have not gotten a date back. Emailed Vinnie about his Women's Tourney and I have not gotten a date back. Will add Pete's Tournament for awwhen he gets me the info.
