

NoCo Minutes 2-20-11

Attendance: Danny, KC, Chad, and Dave

Old news: Jan minutes

New News:

SPM:

- Finalize tee shirts. Review quotes. Order Monday*** Need price for TD report. Around \$800
- Discuss/vote on any more player pack merch/prizes that we would buy. ***Online vote Sandwiches or free drink at Players Party.
- Looks like we should just pay for the pavilion and not the whole course. We need to get with Shawn
- Layout of the 21 hole round
 - Email leadership if they would like to come with Danny to plan out the 21 hole round on Sunday. We will flag it a week before the tournament. Might not put the temp baskets up till Friday morning or Sunday morning due to safety reasons. Unless we buy some ground screws and locks to try to secure them. Don't want another basket stolen like Rocky's a couple years ago. Safety reasons I say Sunday morning, I just don't feel comfortable leaving the baskets for more than a day. I also don't want to be responsible for a stolen basket...
 - Dave and Dan will help move baskets the week before. Bruce, Danny, and one more would be needed to put the temp baskets up. We'll need around 5 just in case we can't move all of the one's that we need on the course.
- Raffle at Players party.
 - If we have enough swag. If each leadership member can get one prize or \$50 to \$100 dollar donation we will have enough.
- List of Hotels on our website. (Forum post)
 - KC will post a link.
- I need to talk to some lunch sponsors at least get buy one get one half off. Subway, Justin's, Odee's, Silvermine, or Qdoba...
 - Shawn said he might be able to get \$2.50 sandwiches from Jimmy Johns.
 - Might not have to if we vote on Sandwiches. I'll see after the vote.
- Ask for more donations from the leadership to bump pay out.
 - Please find someone to donate one prize item.
- Need more volunteers: Volunteers: 7 or 8 volunteers total
 - We have 2 at this time.

 - Winner for Pro Drawing: KC Terry!!!
 - We need to post the winner and the people that were in the pro drawing
 - Bruce and Danny raised \$500 for the club through the Turkey Tourney. So we could afford to have 5 players instead of 4. Pro, Adv Am, Am, Women, Masters. It is \$20 to \$75 for each tournament.
- Can we get a Port a Potty back by the pavilion parking lot?
 - The Baseball fields' restrooms and EPIC will be available.
 - If a construction connection could hook us up with a Port a Potty that would be great, if not the 2 restrooms will due. It is expensive to rent one, and the city will not provide one...
- 47 People are signed up.
- Can the club find a way to blow out or spray out the sleeves at Edora with power washers? Rocks, dirt and crud always gets jammed inside and needs to be blasted out.
- ***Check on Christopher Keener. Says he is Masters on the SPM players list, but might not be right. His PDGA # does not match.
- *** 21 hole cards. Make sure it is set up for two 18's, and one 21 round. Card stock, each player has his own.
- *** ask for all SPM donations to be in by the 5th.

-
Website update: Tabled

Tabled Discussions: Online Treasury Report, Should other Board members have tags to sell, League and Tournament Director's rights, obligations, and board involvement. Make sure Memberships are at St. Patty's Day Meltdown. Constitution. CSU

TD Report: Birdie Love: \$30 for %5 percent Betterment Fee. Made 167 dollars from Ams, paid \$105 for Gift Certificates.

- Crazy turn out. Seems like most people had a good time, but it did run over on time. Danny was not prepared for 71 people. Thanks to Jmart, Sue, Dan, and Peg for helping with score cards. We didn't catch a couple scores though and had to add some people to the payouts. It was posted

on discgolfsce if you were not there for pay outs and did not put your contact info down, your pay out went back to the club. Sorry to Josh for the mix up on having a friend picking up his winnings.

- Suggested that we appoint an assistant Tournament Director for all NoCo Tournaments just for these occasions. You can never tell when the weather will be nice and have bigger numbers...
- Suggested by Danny to use a computer and Excel spread sheet for every tournament. It will make sure all players scores are posted, easier to check ties, and will solve a lot of problems.
- Chad wanted us to post all the scores from Birdie Love and not just the winners. Danny is busy with SPM. Can someone pick up the scores from Danny and finish uploading them on discgolfsce.com?

Hughes Stadium Update: Dave will keep us posted. See last week's Coloradoan newspaper article

<http://www.coloradoan.com/article/20110226/NEWS01/102260348/Hughes-to-get-disc-golf-course>

- NoCo would like to see how we can help.
 - We need one more supporting letter for the Grant. Bruce, Dave, and Danny have signed up, but Craig Foreman asked for 4. Due the 2nd.
 - Maintenance, course input, donate a tree (we've talked about that for a long time)
-
- Side Note: Discgivings will be for the Raptor Center. Sue will be bringing some birds to the tournament and league to raise awareness.
 - Danny would like to see all NoCo events on discgolfsce.com. Winter league scores would be great, but Spring, Summer, and Fall scores should be posted weekly.
 - Next meeting: March 7th Monday at 6pm
 - If I missed anything let me know. Sorry for the misalignment, I copied and pasted some info dannyburdick@msn.com
